1121/1509 - BASMATI RICE

1121/1509 - BASMATI RICE

1121/1509 BASMATI RICE

1121 and 1509 Basmati Rice is world famous for its very long grain length (8.5–9mm) and delicate taste, the grains remain separate and fluffy even after they are cooked. 1121 and 1509 Basmati rice also grows only in the Punjab region of Pakistan & India

It comes from ethereal snow-fed valleys, it is a real gift of nature and has a divine taste. 1121 and 1509 Basmati is exceptionally tasty, extra-long, and fragrant

1121 / 1509 Characteristics

Length: 8.0mm

Width: 1.63mm

Thickness: 1.56mm

Classification: Extra Long Grain

Aroma: Present

1121/1509 BROKEN BASMATI RICE

Broken rice is a grade of rice consisting of grains broken in the milling process. Mechanical separators are used to separate broken grains from whole grains. Broken rice may or may not have lower fiber and nutrient content, but generally has a similar energy content to intact rice. The differences for a final user would be in the cooking results basically, not in the nutrient aspect.

1121 / 1509 Broken Basmati Rice Characteristics

Length: 4.5mm

Width: 2.06mm

Thickness: 1.70mm

Classification: No
